A Special Program About The
U.S. Catholic Bishops'
Pastoral Letter:
The Challenge of Peace:
God's Promise & Our Response
with
Sister Terri MacKenzie, S.H.C.J.

In 1983, the U.S. Catholic Bishops published a historic and controversial pastoral letter about war and peace, and our moral responsibilities. While many people have heard about the letter from TV or the newspapers, not everyone has read it. What does the letter really say? Are the Bishops really mixing up "politics" with religion? Why did they write the letter? How does it affect our daily lives?

Sister Terri MacKenzie works for Global Education Associates, an international non-profit educational organization, and has done speaking in many parts of the world.

Join us for this special opportunity to learn about the Bishops' letter.
